

St Paul's Peel C.E. Primary School

Annual Egg Decorating Competition 2024

We shall be holding our annual contest for the most imaginative, most beautifully decorated egg.

We would like you to use all of your imagination and creative talents to transform an ordinary hard boiled egg into something completely different.

You may use any medium to decorate your egg (Pens, paints, felt, fabric, paper, sequins etc) and you may follow any theme (faces, patterns, famous people... the choice is yours) to decorate and transform your egg.

Please make sure that your egg has been hard boiled by an adult first.

A prize will be given to the most original egg in each class.

To enter the competition, you will need to bring £1.00 and your egg into school by Monday 25th March.

Happy Decorating
