Nursery Fire Service Visit

On Thursday 10th May the Nursery had a visit from the Fire Service. This was extremely enjoyable for all the children involved. The fire officers spoke about their job and showed the children the different equipment they use in a rescue. The nursery got to ask a range of questions and their favourite part was using the hose. We also had a special visit from one of our parents speaking about his job as someone who helps us in our community.

School Council

Our school council raised money this week by decorating and selling biscuits. This money will go towards our outdoor reading area.
