

LONG TERM PLANNING: 2024/25 Cycle B
French

Learning a foreign language is a necessary part of being a member of a multi-cultural society and provides an opening to other cultures. A high-quality languages education should foster children's curiosity and deepen their understanding of the world. We use the Kapow Primary Scheme of learning to support teaching and learning in Key Stage 2. The scheme provides a clear progression of learning through EYFS, Key Stage 1 and Key Stage 2, in-built subject specific CPD to support staff teaching of the content and a range of opportunities to truly embed and secure the knowledge, skills and understanding pupils acquire through their primary learning journey.
