

Newsletter CLASS 5 AUTUMN TERM 1

Maths-This half term we will be studying place value up to 1,000,000 including fractions & decimals to thousandths.

Addition & subtraction written methods of 6 digit numbers and decimals

Reasoning & word problems.

DAVID WALLIAMS READATHON _ How many books can you read & review?

ENGLISH - Our first class reader is Mr Stink by David Walliams - we will be creating many pieces of writing of different types, letters, biographies & character studies, during our journey through this book. We shall also be reading Beowulf by Michael Morpurgo

We will be writing a myth with a mythical creature set in Anglo Saxon times. OUR spellings will feature suffix words -ious cious -making antonyms using prefixes

SCIENCE - This half term we are studying electricity. We will be creating series circuits with more than one component. We will combine Design & Technology to create a street scene of houses with their own burglar alarms. The circuit will include a buzzer and a lamp.

HISTORY We follow on from the Romans in Britain to discover who invaded our country next. The Autumn term will see us research the facts from the Romans leaving , the arrival of Jutes, Angles and Saxons and the Viking invasions ending at THE BATTLE OF HASTINGS IN 1066.

ART

WE will be creating models using collage of King Offa, recreating the helmet found at Sutton Hoo.

P.E. (Tuesdays)

Salford Community Leisure will be teaching us the rules and techniques to play HOCKEY

ICT_ WE will be working on CODING on Espresso Coding creating algorithms

FRENCH - we will be learning how to write and speak about the weather
