Dear Staff and Pupils at St Pauls Peel,

RE: CommUNITY Little Hulton & Youth Unity Harvest Festival

I am writing to sincerely thank you for your generous donations to our very first Community Harvest Festival and to making it a real success.

We are so happy that you have been part of our harvest festival, your contributions have helped us to continue creating and environment and community where people come together to look after each other and support the well being of our residents.

The support we have received has been overwhelming and we would like to thank you all for your generous support.

We have received donations from Little Hulton Residents, St. Edmunds RC Primary School, Dukesgate Primary School, Peel Hall Primary School, St. Pauls Peel Primary School, 11th Walkden St. Edmunds Brownies, The Dispensary Salford and Emerson Automation Solutions

We have been able to support isolated & vulnerable families, additional support to families through our food club, emergency packs for those in need, filtered food through the food club to add extra to what people can normally take away and donated to Bethany Worship Centre who work closely to feed vulnerable families.

The original idea was to deliver the parcels to older isolated and vulnerable people in the community, but it became quickly apparent that it's not only older people who are vulnerable but families who may have suffered a job loss from the pandemic or with the cuts of universal credit and were struggling to feed their families.

We received names through email and messenger from our Facebook campaign, people dropping in the Big Local to give names and we also worked closely with our Community Connector who identified people who would benefit.

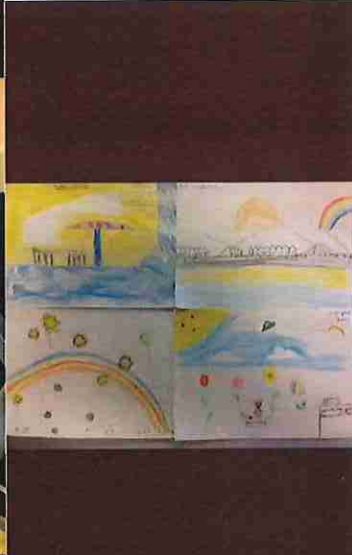

Once again we would like to say a very big THANK YOU for all of your support, you have been amazing

Yours sincerely

On behalf of CommUNITY Little Hulton
