Dear Parents/Carers,

I just wanted to give you a few updates:

### COVID Information:

As you will have seen in the media, data is indicating that rates in Salford and GM are decreasing but cases in primary schools are on the increase. Please can I request again that if your child is not 100% well they should not be coming into school, any advice/requests that school give parents/carers are based on recommendations from Salford Public Health.

### Nursery:

Due to a number of positive cases, Salford Public Health have placed the Nursery into a 'bubble'; this means that the Nursery pupils/staff do not mix with other pupils and staff and that Nursery is not accessible to any member of staff or parent/carer who are not in the school Nursery 'bubble'.

### Face Coverings:

Today the Government's 'Plan B' is in operation; however due to COVID rates and cases in school all staff (including any visitors/ parents and carers) who are in school must still wear masks in communal areas, this includes if parents/carers come to the school office.

### Magic Breakfast Bagels:

As we are a 'new' Magic Breakfast I would welcome any feedback about the free bagels your child is invited to have every morning from 8.45 am. Please message me via Class Dojo.

### Special Chinese Meal:

Tuesday 1<sup>st</sup> February is Chinese New Year; school is providing a special Chinese meal. If your child usually brings a packed lunch and you would like them to have the meal please let Mrs Frost know in the office. The meal costs £2.10.

### Lateral Flow Tests

We do have some Lateral Flow Test Kits in school, if you would like a box please ask at the school office.

Keep safe,  
Miss Barker
