4. Turn to face south and move forward 1 square. (,)

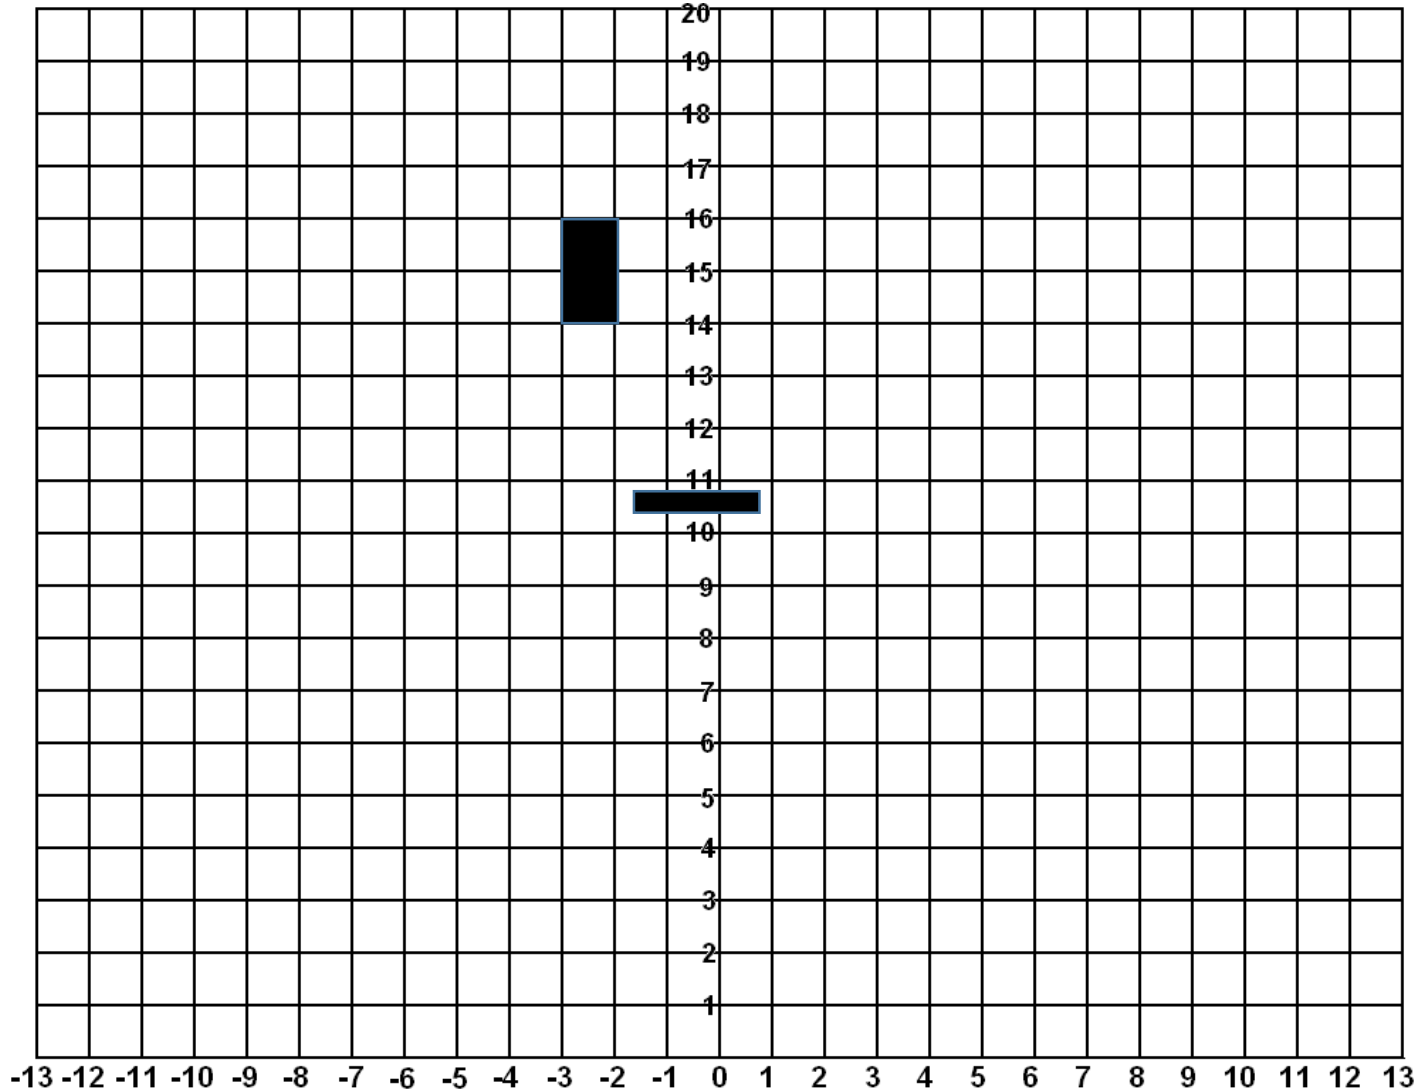

5. Head West 2 squares then 4 squares South. (,)

6. Continue your journey West 4 squares. (,)

END

HUNTING THE PIRATE'S TREASURE

Now plot the co-ordinates you have found. Use a ruler to join the points in order.

Now draw the reflection of the shape in the opposite quadrant to complete the picture, reveal the clue and find the treasure.
