

Week 15, Day 1

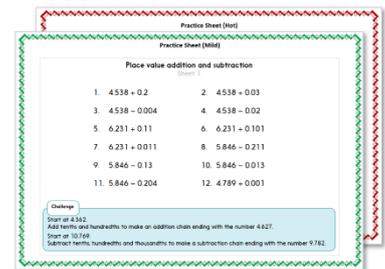

Days and months

Each day covers one maths topic. It should take you about 1 hour or just a little more.

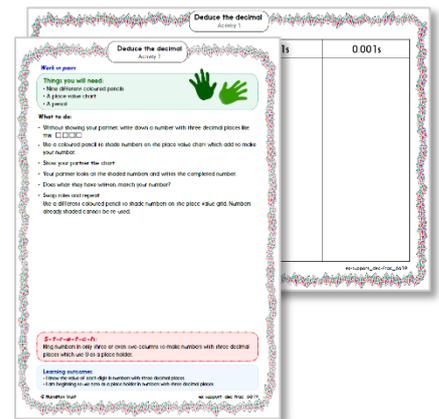

1. Start by reading through the **Learning Reminders**. They come from our *PowerPoint* slides.

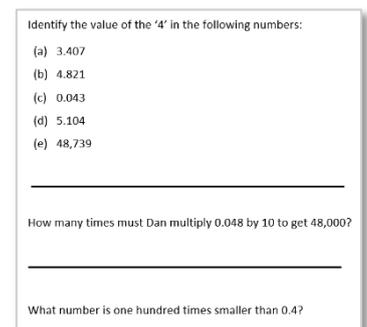

2. Tackle the questions on the **Practice Sheet**. There might be a choice of either **Mild** (easier) or **Hot** (harder)! Check the answers.

3. Finding it tricky? That's OK... have a go with a grown-up at **A Bit Stuck?**

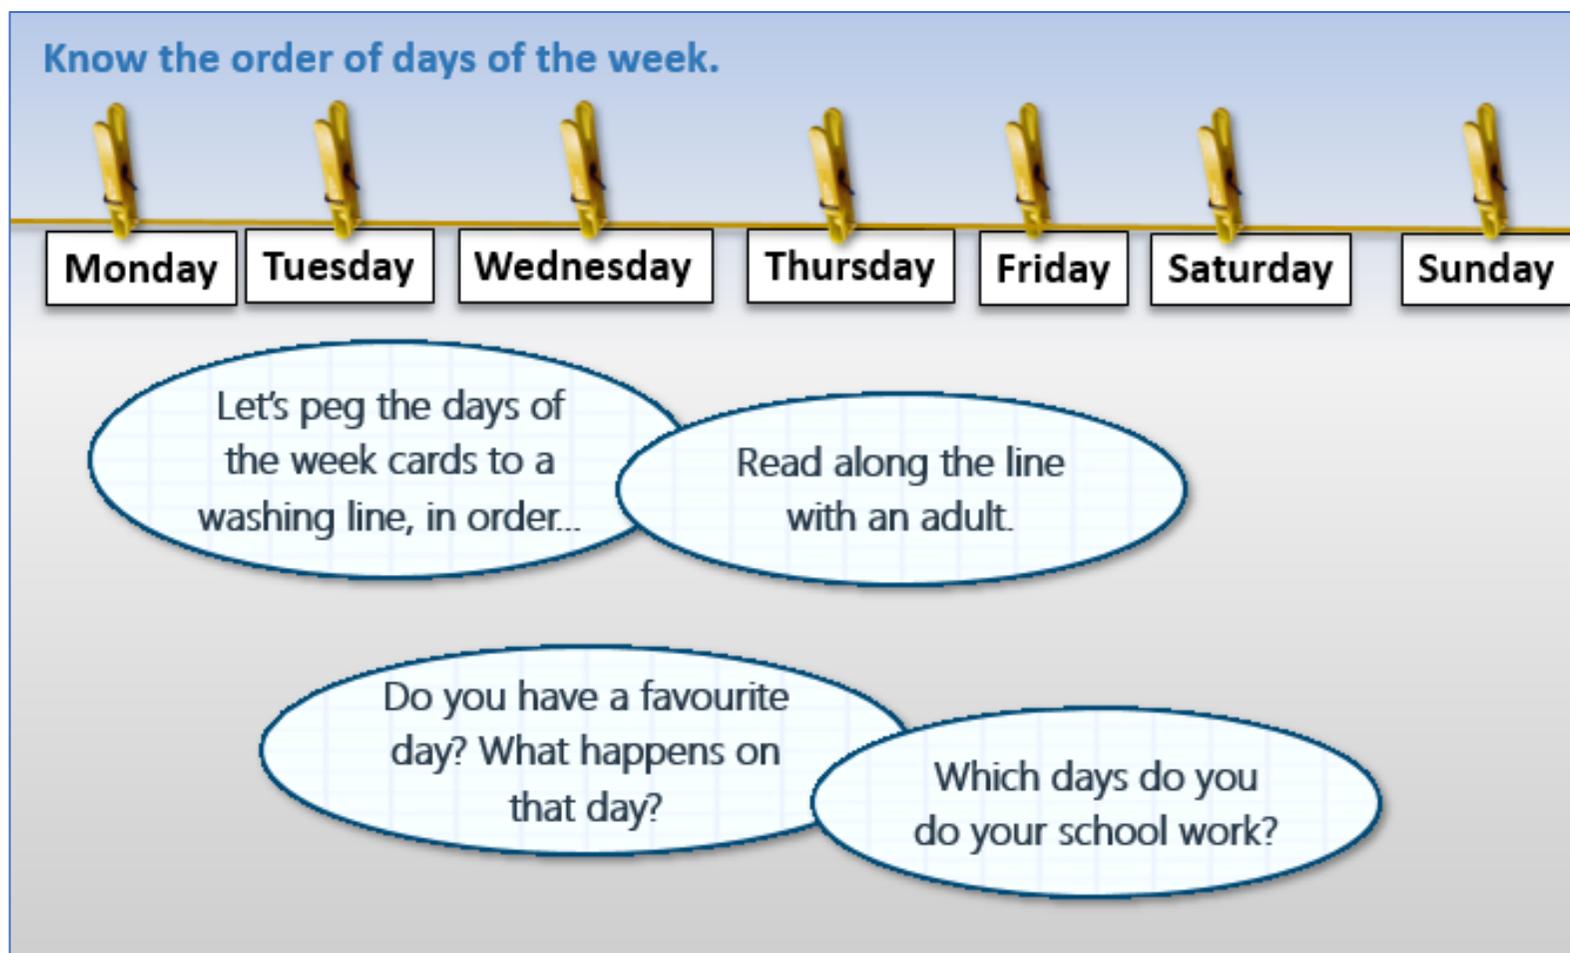

4. Have I mastered the topic? A few questions to **Check your understanding**. Fold the page to hide the answers!

Learning Reminders

Know the order of days of the week.

Monday Tuesday Wednesday Thursday Friday Saturday Sunday

Let's peg the days of the week cards to a washing line, in order...

Read along the line with an adult.

Do you have a favourite day? What happens on that day?

Which days do you do your school work?

Learning Reminders

Know the order of days of the week.

Monday Tuesday Thursday Friday Saturday Sunday

Read along the line with an adult. Which day is missing?

Monday Tuesday Wednesday Thursday Saturday Sunday

Read along the line with an adult. Which day is missing?

Spoiler Alert! Answers

Read along the line with an adult. Which day is missing?

Monday Tuesday **Friday** Thursday Wednesday Tuesday Monday

Read along the line with an adult. Which day is missing?

Monday Tuesday **Wednesday** Thursday Friday Saturday Sunday

Know the order of days of the week and months of the year.

Learning Reminders

Know the order of days of the months of the year.

January

February

March

April

May

June

July

August

September

October

November

December

Read down the list of months with an adult.

What month is it now?
What month was it last month?
What month is next?

Which month is your birthday?

What month comes before December?
What month comes after December?

Learning Reminders

Know the order of days of the months of the year.

- January
- February
- March
- A
- May
- June
- J
- August
- September
- O
- November
- December

Read down the list of months with an adult.

Which months are missing?

Spoiler Alert!
Answers

Which months are missing?

Read down the list of months with an adult.

- December
- November
- October
- September
- August
- July
- June
- May
- April
- March
- February
- January

Know the order of days of the months of the year.

Practice Sheet Mild

Order the days of the week

Daniel is very busy during the week and he does a club every night.
Can you help him to put his activities in order, starting with Monday, so he doesn't miss any out?

Cricket club
Tuesday

Tennis club
Friday

Drawing club
Monday

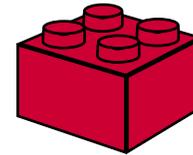

Swim club
Saturday

Chess club
Wednesday

Running club
Sunday

Lego club
Thursday

Day of the week	Monday						
Activity/club							

1. On which day does he go to running club?
2. What is the first activity he does in the week?
3. What activity does he do the day after Swim club?
4. What activity does he do the day before Cricket club?
5. What does he do the day before Drawing club?

Practice Sheet Answers

Practice Sheet (Mild)

Day of the week	Activity
Monday	Drawing club
Tuesday	Cricket club
Wednesday	Chess club
Thursday	Lego club
Friday	Tennis club

Olivia	September
Emme	October
Sanjay	November
Eddie	December

1. Who has a birthday the month after Olivia's? **Emme**
2. Who is the last person of the year to have a birthday? **Eddie**
3. Who has a birthday the month before Tom? **Mohamed**
4. Loxie's birthday is between Tom and Millie's. What date might it be? **Between 14th June and 22nd July.**

A Bit Stuck? What comes next?

Things you will need:

- Days of the week cards

What to do:

- Watch these two songs on YouTube to help you learn the days of the week:

[Days of the Week](#) and [Days of the Week Song - The Singing Walrus](#)

Which did you prefer?

Watch it again and try to join in...

- Cut up, shuffle and spread out the days of the week cards. Ask an adult to help you read them.
- Which card is next in each sequence?

Sunday, Monday, Tuesday, ?

Tuesday, Wednesday, Thursday, ?

Saturday, Sunday, Monday, ?

Thursday, Friday, Saturday, ?

Monday, Tuesday, Wednesday, ?

Wednesday, Thursday, Friday, ?

Friday, Saturday, Sunday, ?

You should have used all your cards!

- Shuffle them.
- Can you put them in order?

A Bit Stuck?
What comes next?
