MESSAGE FROM MISS BARKER

I would like to say a huge thank you to all my staff who have been incredible during the COVID-19 pandemic. They have either worked from home or worked in school, tirelessly for all of our school family.

I would also like to thank parents and carers for your support during 'lock down' in decisions made to keep everyone safe and also for the positive feedback that I have received.

School in September will still not look like 'normal' but we will get through it together. During the summer holidays, please do keep checking the school website for the latest information.

The new academic year is now starting on Monday 7th September instead of Wednesday 2nd September.
