### Staggered Starts and Staggered Finishing Times

Dear Parents/Carers,

As we all return to school in September, there will be many changes for all of us to get used to. There can be no doubt that returning to school is better for children's social, emotional and educational well-being, but we will need to work together in the 'new normal' as we all adjust to new ways to keep ourselves safe over the coming months.

In order to reduce contact between class groups, we are asking parents to support us in the staggered start and finish times for each class. We appreciate that this may cause some inconvenience to parents, particularly for those with siblings in different classes but we would ask that parents drop off and collect children at the allocated time for each class 'bubble'. We thank you in advance for your understanding and patience with this situation.

Please check the website regularly as new information will be uploaded during the summer holidays including very important information to ensure that we are 'COVID-19 Secure'.
