Salford's SEND Survey—update

We just wanted to say a huge 'THANK YOU' to everyone who completed the 2022 SEND survey. Your responses are vital to our on going work with agencies to ensure services are fit for purpose and meet the needs of Salford SEND children and their families.

We are in the process of collating the data and will happily share this in the coming weeks.

Welcome back to your Parent Carer Forum

As 2022 comes to a close, we have been looking back at how much work we have done this year. We have been involved in lots of work with Salford Council to improve access to services and ensure they are fit for purpose.

The forum now has over 500 members on their private Facebook group, we continue to support parent carers and their families with our regular drop-ins, support groups and walk and talks. We regularly ask for your thoughts and feedback so we can share this back with the Local Authority and Health Services. We look forward to 2023 and continuing to make a difference to the SEND children and young people of Salford.

Volunteers Needed

Do you want to get involved with the Forum? Could you support other parents in similar situations? Do you have a couple of hours spare and are interested in volunteering? Do you want to know more about becoming a Parent Rep?

If the answer to any of the questions is yes, or you would like to know more, we are running a session on **19th January 2023, 6pm at Eccles Gateway**.

Come and hear about the fantastic work we do and how you can get involved.
